I want a doll bed and a doll cart, a bracelet and some sweet stuff. Put it in my stocking. I will hang it up for you. Come at Mrs. Mansfield in Pinconning and bring them. Don't bring me the doll because I am going to get it before I go there.

Good bye From Grace Menzies.

Dear Santa: The council wants some kind of a report next January and if you would bring me a nice little red pencil I will try and figure it out.

Judge Hugh H. Hart, probate judge of this county, having had several years' experience in the probate court, expresses an opinion that the parents are mostly to blame for the boy going wrong. In the fact that we have a vocal instructor coming to Yale each week a splendid opportunity is presented for parents to give their children the advantage of voice culture, right breathing and lung expansion. Mr. McComb has had the best of musical training and comes to our city well prepared to take up this instruction. He would be glad to receive pupils each Saturday at the Princess theatre.
